

MINUTES OF THE 26TH STEERING COMMITTEE MEETING (SCM) OF SOUTH ASIA FORUM FOR INFRASTRUCTURE REGULATION (SAFIR)

Date: 28th AUGUST 2020; Friday

Virtual Meeting conducted through MS Teams

The meeting was chaired by Mr. Md. Abdul Jalil, Chairperson, South Asia Forum for Infrastructure Regulation (SAFIR) & Bangladesh Energy Regulatory Commission (BERC). List of participants is enclosed at **Annexure-I**.

In his opening remarks and welcome address, Mr. Md. Abdul Jalil, Chairperson, SAFIR and Chairperson of BERC welcomed all dignitaries to the meeting. He thanked Mr. Saliya Mathew, Former Chairman of SAFIR/ Former Chairman of Public Utility Regulatory Commission of Sri Lanka (PUCSL) for his effective leadership in enhancing the activities of SAFIR. As Chairman, SAFIR, Mr. Jalil expressed his gratitude and commitment to strengthen SAFIR and sought cooperation from all members for the same.

The Forum thereafter took each of the agenda items for consideration.

Agenda 1: Confirmation of the minutes of the 25th Steering Committee meeting held on 26th April 2019 at New Delhi, India.

Dy. Chief (RA), Central Electricity Regulatory Commission (CERC)/ SAFIR Secretariat updated the Steering Committee on action taken on various issues viz. new memberships, payment of fees to International Confederation of Energy Regulators (ICER), cessation of membership due to non-payment of fees, information about the SAFIR Core Course, studies to be conducted.

Thereafter, the minutes of the 25th Steering Committee Meeting were confirmed.

Agenda 2: Accounts Related Matters

a) Budget for F.Y. 2020-2021

Dy Chief (RA), CERC/ SAFIR Secretariat explained the proposed Budget for FY 2020-21 as a deficit budget wherein a moratorium of one year on the membership fees was proposed in order to utilize the surplus of Rs 1.46 crores accumulated in Foreign Contribution Regulation Act (FCRA) funds. After discussion, the budget for the financial year 2020-21 was considered and approved.

The SCM was also informed that Indian Institute of Corporate Affairs (IICA) had proposed to conduct a study on the infrastructure sector, which is with respect to the study budgeted for FY 2020-21. During the meeting, CIRC also proposed to undertake the study. As regards the Core Course, the SC was informed that SAFIR Secretariat had received a very good response from the participants of the SAFIR Core Course held in Indian Institute of Management (IIM) Ahmedabad. Since the course was coordinated by Gujarat Electricity Regulatory Commission (GERC), Chairperson GERC proposed that the Core Course for this year may also be held in IIM Ahmedabad. He also proposed that instead of virtual training, the said program may be conducted in physical mode in order to give a feel of the campus and academic environment of IIM Ahmedabad. Representative of CIRC also proposed to conduct the Core Course. Chief (RA), CERC suggested that the EC member countries may also explore for taking up the Core Course as, in the past Core Courses was organized by Bangladesh, Sri Lanka and Bhutan.

After discussion, the Budget for FY 2020-21 was approved. It was also decided that proposals may be may be solicited from IICA, CIRC, GERC/IIM Ahmedabad and any interested institution in member countries of SAFIR for conducting the studies and Core Course (physical/virtual mode) and a decision on the same would be taken by circulation amongst the EC members. SAFIR Sectt was directed to assist the EC in evaluating the proposals.

b) Annual Audited Accounts for F.Y. 2018-19 & 2019-2020

The salient features of the Balance Sheet and Income & Expenditure Account for the financial year 2018-19 and 2019-20 were explained to the SC members. After discussion, the Annual Accounts of SAFIR for the financial year 2018-19 and 2019-20 were considered and approved.

c) Appointment of Auditor for the F.Ys. 2019-2020 and 2020-2021

The proposal for re-appointment of M/s R.K. Raman & Co., Chartered Accountant, New Delhi to conduct the audit of the Accounts of SAFIR for the F.Y. 2019-2020 was placed before the SCM. It was proposed that the appointment of the Auditor may be extended for a further term of 2 years i.e. FY 2019-20 & 2020-21. After discussion, the proposal was accepted.

d) Appointment of Tax Consultant for filing the Income Tax Return for the F.Ys. 2019-2020 and 2020-2021

and

e) Appointment of Consultant for filing the FCRA Return for the F.Ys. 2019-2020 and 2020-2021

The SC members were informed that M/s MM & Associates, Chartered Accountants, New Delhi have filed the Income Tax Return (ITR) of SAFIR but have expressed their inability to continue for F.Y. 2019-2020. Accordingly, the proposal for engagement of a Sr. Tax Consultant for filing the ITR of SAFIR for the F.Y. 2019-2020 and onwards, on retainership basis was placed before the SC members .

On the above two proposals, Chairperson, Delhi Electricity Regulatory Commission (DERC) opined that a single firm can be engaged for filing Income Tax Return(ITR) and FCRA Return on retainership basis, considering the fact that SAFIR also handles membership fees from members outside India. The SC deliberated on this issue and approved engagement of a single firm for both the assignments on retainership basis and directed SAFIR Secretariat to follow due process in engaging the retainer firm.

f) Appointment of Goods and Services tax (GST) Consultant for filing the returns for the F.Y. 2020-2021

The SC was informed that M/s MBR & Company LLP, Chartered Accountants, New Delhi were appointed as a Consultant to handle various GST related matters and file the GST returns of SAFIR. Accordingly, they have duly filed the Goods and Services tax returns (GSTRs) for the period from 2017-2018 (i.e. w.e.f. January, 2018) to 2019-2020. Their services have been satisfactory. Accordingly, the proposal was placed before the SC for their re-appointment for handling the aforesaid GST matters of SAFIR for the F.Y. 2020-2021 (4th year) too. After discussion, the proposal was accepted.

g) FCRA clearance related issue of SAFIR and utilization of funds from the FCRA

(Receipt) Account of SAFIR

The SC was informed that SAFIR Secretariat had received intimation from bank officials of Overseas Branch of Corporation Bank (business bank of SAFIR) that the “No Objection Certificate (NOC)” issued to SAFIR on 17th September, 2010 by the Ministry of Home Affairs (MHA) was more than 5 years old and as per rules of FCRA, the same was required to be renewed. Further, bank officials also informed that as per the revised guidelines of Reserve Bank of India (RBI)/Government of India (GoI), FCRA certificate is required to be renewed, on or before the end of every 5 years and till the renewed NOC/certificate is submitted to the bank, it would not be possible for them to receive/credit any funds in the FCRA Account of SAFIR.

The SC was also informed about the action taken by SAFIR Secretariat for obtaining the clearance certificate. The SC was also apprised that during the ECM, Chairperson SAFIR, acknowledged the efforts of SAFIR Secretariat in obtaining the FCRA clearance and that he had requested Chairperson, CERC to intervene in this issue for securing clearance on early basis.

EC had also agreed that the invoices for membership fees for the F.Ys. 2019-20 would be raised on the Members outside India after the receipt of FCRA clearance. However, as proposed and approved in the budget for FY 2020-21, no invoices towards membership fees for F.Y. 2020-21 would be raised. After discussion, the SCM approved the same proposal.

Agenda 3: Membership Matters

a) Withdrawal of membership

The SC members were informed about the reference received from Petroleum & Natural Gas Regulatory Board (PNGRB) requesting for withdrawal of membership of SAFIR w.e.f. F.Y. 2017-2018 as they felt that the Forum is primarily related to Electricity Regulatory matters and that participation is primarily from ERCs. SC members agreed to the request.

The SCM was also informed about the request from Assam Electricity Regulatory Commission (AERC) for withdrawal of membership of SAFIR w.e.f. F.Y. 2020-2021 due to financial constraints. In this case, as the request for withdrawal was on account of financial constraints, it was decided that SAFIR Secretariat can inform AERC about this decision and that they could continue to be a member for this financial year and review their decision of continuing in SAFIR.

b) New membership

Shri Dilli Bahadur Singh, Chairperson, ERC Nepal informed the SCM about the requirement of Nepal Govt's approval for a formal membership in SAFIR and that they were continuously following up with their Ministry. He added that a formal approval is likely to be received shortly.

The SCM noted the same and agreed to wait for a formal approval of Nepal Govt. and then accord formal membership in SAFIR.

Agenda4: Membership Fees Matters

a) Outstanding membership fees

Dy Chief (RA), CERC/SAFIR Secretariat updated the SC members that SAFIR Secretariat had sent reminder letters to all such Members for payment of membership fees. Accordingly, a few Members have paid the outstanding fees in FY 2020-21. However, 7 members have been issued letters for discontinuation of membership as no fees was being paid by them since long. The SC members noted the same.

b) Membership fees to ICER

The SC members were informed that SAFIR is a founding member of ICER. As there were no activities in the past few years, no membership fees were paid to ICER. However, as the activities of ICER were being revamped and they would be organizing the World Forum of Energy Regulators in 2021-22, ICER had requested for annual membership fee of USD 1200 in July 2019. This request was placed as an agenda item for discussion in the 18th ECM held on 5th December 2019 at Dhaka, Bangladesh and the EC agreed to the proposal of paying the membership fees as it was opined that SAFIR's association with International Regulators will entail rich learning experiences for the member organizations of SAFIR. Accordingly the fees were duly remitted to ICER. After discussion, the proposal for payment of membership fees to ICER was endorsed by the SC.

c) Request for waiver of fees

Dy Chief (RA), CERC/ SAFIR Secretariat updated the SCM on the references received from members regarding waiver of fees. After discussion, the SC noted that the SAFIR bye-laws do not allow any waiver of membership fees and as such waiver of membership fees as requested for by Bihar ERC and Karnataka ERC cannot be agreed.

As regards the case of Tripura ERC, it was felt that Tripura being a single member Commission was virtually non-functional for the period from January 2017 to August 2019 in the absence of any Chairman. In such a situation they could not have taken decision for payment of fees. In view of the special circumstances, it was decided that the past dues of Tripura to be condoned. Chairperson Tripura ERC informed that the membership fees from FY 2020-21 onwards would be paid.

Agenda 5: Update/Presentation by Integrated Research and Action for Development (IRADe) Working Group of SAFIR

Mr. Pankaj Batra, Project Director, SARI/EI and Mr. Rajiv Ratna Panda, Technical Head, SARI/EI made a presentation (*Annexure -I*) on updates on various activities of the SAFIR Working Group and their proposals for the current year and the next year as follows :

- i. Study on South Asian electricity regulations to develop regulatory pathway for Electricity/ energy exchange and Energy Cooperation in South Asia;
- ii. Study on Regulatory interventions for Grid discipline and Grid reliability in the region;
- iii. Study on Cross Border Electricity Trade;
- iv. Organizing a South Asia Energy Sector Training and Capacity Building Programme on Energy Regulation for Energy Cooperation and Exchange of Electricity in South Asia;
- v. Develop the South Asia Energy/Electricity Regulatory compendium ;
- vi. Develop the South Asia Energy/Electricity Knowledge Resource database;
- vii. SAFIR-Regulatory Newsletter;
- viii. SAFIR Working Group Meetings

The SC was informed that the Terms of Reference for the study on South Asian Electricity

Regulations to develop regulatory pathway for Electricity/ energy exchange and energy cooperation in South Asia has been prepared and that IRADe would share the same with SAFIR Secretariat shortly. Post approval of TOR, the study would commence by November, 2020.

The SC was also informed that the Study on regulatory interventions for grid discipline and grid reliability in the region was awarded to M/s. PricewaterhouseCoopers and that the draft report was expected to be shared by September 2020. Thereafter, stakeholder consultation would be held in October 2020, post which the report and its findings would be presented to SAFIR/ SAFIR Working Group for comments in November, 2020.

Officials of IRADe also informed that the scope of work for the study on Cross Border Electricity Trade has undergone changes as suggested in various meetings of SAFIR/SAFIR Working Group and that the revised Terms of Reference for the study would be shared with SAFIR Sectt at the earliest so that the same is finalized by October, 2020.

IRADe also presented updates on South Asia Energy Sector Training and Capacity Building Program on Energy Regulation for Energy Cooperation and Exchange of Electricity in South Asia and informed that the first training program is expected to be held in February 2021. They also informed that the South Asia Energy/Electricity Regulatory compendium was released in February 2020 and uploaded on SAFIR website. Officials of IRADe also updated that the South Asia Energy/Electricity Knowledge Resource database would be in form of a website which shall be online by early next year. The officials also presented the progress status on the Common Minimum Grid Code and that on the formation of Grid Code Review Committee; SARI/EI/IRADe will conduct a comprehensive and detailed consultation with the grid code review committee of each country as well as with all stakeholders (utilities, system operators, planners, regulators and policy makers etc.)

Officials of IRADe also informed that the SAFIR Regulatory Newsletter (SRN) will provide Regulatory updates & Policy Developments in the South Asian Region, b) cover the analysis on the Energy Regulatory and Policy Developments and c) will cover the oil and gas sector. It will be a quarterly newsletter and the first newsletter is expected to be issued by November 2020.

The SC appreciated the activities of the SAFIR working group.

Agenda 6: Status update on

- a. Infrastructure Conference**
- b. SAFIR Core Course**
- c. Next meeting of SCM**

- a. The SC members were appraised that IRADe with the support of USAID, SARI/EI would be willing to host the next Infrastructure Conference towards the end of the year 2020. This conference could either be virtual/in person depending upon the ongoing Covid-19 situation and that the date for the conference would be coordinated between IRADe and SAFIR Secretariat. The SCM agreed to the proposal.
- b. As already informed in the agenda of budget that the previous core course of SAFIR was conducted in January 2020 at IIM Ahmedabad in coordination with GERC and that this year, GERC and CIRC proposed to conduct the core course, the SC decided that proposals may be called for from CIRC, GERC (for IIM Ahmadabad) and any other interested institution from member countries of SAFIR for conducting the Core Course (physical/virtual mode) and a decision may be taken by the EC members through circulation.
- c. The SC was informed that the next meeting would be held in FY 2021-22 to which SAFIR Secretariat was directed to review the suitability of conducting an in-person meeting.

At the end of the meeting, Mr. Md. Abdul Jalil, Chairperson, SAFIR/ BERC thanked all SCM members of SAFIR for their participation in the meeting. Mr. Jalil further thanked Mr. P.K. Pujari, Chairman, CERC/SAFIR Secretariat, Mr. Kithsiri Liyanage, Chairperson of PUCSL, Sri Lanka and Mr. Dilli Bahadur Singh, Chairperson of ERC of Nepal and other Steering Committee members for attending the meeting and giving valuable suggestions. Mr. Jalil also appreciated the efforts of CERC/ SAFIR Secretariat for effectively updating the SCM members on the agenda items. He wished good health and safety for all participants.

The meeting ended with a vote of thanks to the Chair.

LIST OF PARTICIPANTS OF
THE 26TH STEERING COMMITTEE MEETING (SCM)
OF
SOUTH ASIA FORUM FOR INFRASTRUCTURE REGULATION (SAFIR)
HELD ON FRIDAY, THE 28TH AUGUST, 2020

S. No.	NAME AND DESIGNATION	ORGANIZATION	COUNTRY
01.	Mr. Md. Abdul Jalil Chairman	BERC	Bangladesh
02.	Mr. P.K. Pujari Chairperson	CERC	India
03.	Mr. Kithsiri Liyanage Chairman	PUCSL	Sri Lanka
04.	Mr. Dilli Bahadur Singh Chairman	ERC of Nepal	Nepal
05.	Justice (Mr.) Satyendra Singh Chauhan Chairperson	DERC	India
06.	Mr. Anand Kumar Chairperson	GERC	India
07.	Mr. Depinder Singh Dhesi Chairperson	HERC	India
08.	Mr. S.K.B.S. Negi Chairperson	HPERC	India
09.	Mr. M.K. Goel Chairperson	JERC (State of Goa & UTs)	India
10.	Mr. S.P.S. Parihar Chairperson	MPERC	India
11.	Mr. U.N. Behera Chairperson	OERC	India
12.	Ms. Kusumjit Sidhu Chairperson	PSERC	India
13.	Mr. T. Sriranga Rao Chairperson	TSERC	India
14.	Mr. D. Radhakrishna Chairperson	TERC	India
15.	Mr. D.P. Gairola Officiating Chairperson/Member (Law)	UERC	India
16.	Mr. Sutirtha Bhattacharya Chairperson	WBERC	India
17.	Mr. Ram Prasad Dhital Member	NERC	Nepal

18.	Mr. Arun Goyal Member	CERC	India
19.	Mr. T.S. Balasubramanian Member (Fin.)/ Officiating Chairperson	TAMP	India
20.	Mr. P. Raja Gopal Reddy Member (Fin.)	APERC	India
21.	Mr. Rabindra Narayan Singh Member	JSERC	India
22.	Mr. Sanoj Kumar Jha Secretary	CERC	India
23.	Dr. Sushanta K. Chatterjee Chief (RA)	CERC	India
24.	Ms. Rashmi Somasekharan Nair Dy. Chief (RA)	CERC	India
25.	Mr. R.K. Tripathy Fellow	CIRC	India
26.	Dr. (Ms.) Abha Yadav Director	IICA	India
27.	Mr. Anand Sagar Pandey DGM (Coml.)	NTPC	India
28.	Mr. Md. Firoz Zaman Dy. Director	BERC	Bangladesh

Objective and TOR of the SAFIR Working Group

Key Objective of the SAFIR Working Group

Enhancing **Regulatory Cooperation** to Facilitate **Knowledge sharing**;

Addressing Cross cutting Energy/Electricity Regulatory Issues and Capacity Building in South Asia;

Facilitate **transparent regulatory framework**, promoting **investment** in the South Asia Region.

TOR of the SAFIR Working Group

To **facilitate regulatory capacity building** among member countries at both national and regional levels through information **knowledge sharing** and **skills training**.

To **facilitate** the development of **electricity/energy regulations** by identifying and addressing cross cutting energy/electricity regulatory issues for advancing Exchange of Electricity/Energy in South Asia region.

To provide **inputs on policy & regulations/regulatory opinions/regulatory guidelines** and to **develop model regulations**.

To **undertake research** work on issues relevant to electricity /energy sector regulation through in-house/ outsourcing.

Prepare a detailed **road map** along with various **regulatory interventions** needed in South Asian countries for effective energy cooperation in the region to **prepare annual status report** and **updates on regulatory cooperation** in the South Asia Region.

Create data bank/knowledge repository on energy/electricity related issues. Prepare South Asia Energy/Electricity **Regulatory Compendium**.

To develop web portal on “**South Asia Energy/Electricity Knowledge Resource Database**”. SAFIR–**Regulatory Newsletter** to enhance **regulatory knowledge sharing**.

A Study/Research & Technical Studies -(Three Studies)

A Study/Research under SAFIR Working Group

1 Study /Research on South Asia electricity/electricity regulations to develop regulatory pathway/Road Map for Electricity/Energy exchange and Energy Cooperation (EC) in SA

2 Regulatory interventions for Grid discipline and Grid reliability in the South Asian Region

3 Study on Cross Border Trade of Electricity- Potential Optimum Utilisation and Reduction in Cost of Supply

A1

Study/Research on South Asia electricity/electricity regulations to develop regulatory pathway/Road Map for Electricity/Energy exchange and Energy Cooperation (EC) in SA

Objective of the Study :

To review, study and analyze the existing **energy/electricity regulations** of each South Asian countries to develop regulatory pathway/Road Map for Electricity/Energy exchange, **cross border electricity/energy trade** and **Energy Cooperation (EC)** in South Asia.

Identify and analyze the **relevant provisions** in all existing **energy/electricity regulations** that have an **impact on optimal, reliable and economic Electricity/Energy exchange**, cross border electricity/energy trade and carry out a detailed **gap analysis** for the same, from the perspective of enhanced cross border electricity/energy trade.

Suggest and recommend the **necessary changes/additions** or new regulations that is required in the respective countries' for **advancing Electricity/Energy exchange**, **cross border electricity/energy trade** and **Energy Cooperation (EC)** in South Asia.

Status

Time Period of the
study - 6 Months

A2

Study/Research on Regulatory interventions for Grid discipline and Grid reliability in the South Asian region

Objective of the Study :

To review and analyse all the existing relevant electricity regulations, mechanisms and technical frameworks with respects to Grid discipline and Grid reliability of each South Asian Countries both from the perspective of integration/unification of regional grids of domestic power system of a country as well as cross border power grid integration.

Deliverables:

Detailed set of Regulatory measures/Intervention and Mechanism needed for enhancing Grid discipline & Grid reliability in SA region along with detailed explanatory memorandum.

Roadmap (regional and country wise) and action plan for implementation of above suggested Regulatory measures /Intervention.

A3

Study on Cross Border Trade of Electricity- Potential Optimum Utilisation and Reduction in Cost of Supply

2nd Meeting of SAFIR working group {Dhaka, 4 th December, 2020}	2nd Meeting of SAFIR working group {Dhaka, 4 th December, 2020}	18th ECM Meeting {5th December 2019}	18th ECM Meeting {5th December 2019}	In the above context, SARI/EI is revising/expanding scope of the TOR of “Study on Cross Border Trade of Electricity....” to make the study holistic, comprehensive, more analytical and taking in to account the renewable energy and grid balancing aspects, ancillary service etc. in a integrated manner
{Overall Renewable energy Growth Scenario and opportunity for Regional Grid Balancing was discussed}	{It was decided to take up another study on the requirement of balancing generation on a regional basis and develop a report for the same.}	{Chairman of SAFIR/BERC suggested that the Working Group should also consider working on methods to reduce the cost of supply . This could be added as an objective in the Study on Cross Border Trade in Electricity }	{ It was also suggested that the Working Group could assess as to how balancing costs can be reduced due to the flexibilization of thermal power so that there is no economic loss }

Other Cooperation with SAFIR

Common Minimum Grid Code (CMGC), SAFIR Conference

Common Minimum Grid Code (CMGC): Objective

- The Common Minimum Grid Code for South Asia : lays down the **rules, guidelines and standards** to be followed by various South Asia country participants in the system for cross border trading in electricity, while operating the power system, in the **most secure, reliable, economic and efficient** manner.

*Facilitation of cross border trading of power, while **ensuring secure, reliable, economic and efficient** operation of the grid.*

*Facilitation of the **coordinated optimal** operation of the South Asian Grid.*

Facilitation of coordinated and optimal maintenance planning of generation and transmission facilities in the South Asian grid.

Common Minimum Grid Code (CMGC): Progress

SARI/EI Drafted CMGC and shared with all Regulators & stakeholders of SA countries

Conducted Stakeholder Consultation in Bangladesh, Bhutan, Nepal

Presented CMGC in the 2nd meeting of SAFIR Working Group (Dhaka, 4th Dec, 2020) & in the 18th ECM Meeting (5th December 2019)

18th ECM recommended that each member country may form a Grid Code Review Committee consisting of all the stakeholders to discuss various features of the draft CMGC

SARI/EI/IRADe were requested to do more detailed and comprehensive consultation with the grid code review committee of each country as well as with all stakeholders (utilities, system operators, planners, regulators and policy makers etc.)

Next Step

First Consultation with grid code review committees

More Detailed Consultation with utilities, system operators, planners, regulators and policy makers etc

Second Consultation with grid code review committees and Finalisation of Draft

Submission of Revised CMGC to the Chairperson of Regulatory Commissions of SA Countries

SARI/EI Partnership for SAFIR Conference

SARI/EI has successfully partnered with SAFIR for the Annual SAFIR Conference in the year 2016 & 2020

CLDP, SAFIR and SARI/EI Workshop on "Power Pool Governance and Interconnection" -Le Meridien Hotel April 25-26 2019 New Delhi, India

SAFIR Conference on "Regional Energy Integration & Cross Border Energy Trade: A New Renaissance for Growth & Development of South Asia Region, 19th February 2020,

Key Topics Covered in the last Conference

Regulatory and Policy Frameworks for Deeper Energy/Electricity Integration, Advancing Cross Border Energy Trade in South Asia.

Strategy for Transitioning South Asia from Bilateral to Trilateral and Multilateral Power Trade and Development of Competitive Regional Power Market in the South Asia Region.

Creating Conductive Environment for Investment framework in Regional Energy Infrastructures Projects in South Asia
